Sr. Software Engineer (Full Time) / Hong Kong

www.upclear.com/company/recruitment - Posting date September-2015

ABOUT UPCLEAR

UpClear (www.UpClear.com) is a global Enterprise Software provider to the Consumer Packaged Goods (CPG) industry. UpClear's BluePlanner software is a best-in-class platform for Revenue Management, covering Sales Planning, Trade Promotion Management (TPM), Analytics, and Optimisation (TPO). UpClear serves clients in 20 countries across America, Europe, Asia, and Africa from its offices in New York, London, and Hong Kong. BluePlanner has been recognised by Consumer Goods Technology as one of the leading solutions for Sales Optimisation. UpClear is growing at a rate of 40% per year.

JOB DESCRIPTION

We're seeking a smart and motivated individual with at least 5 years of development experience who wants to work for a fast growing company. Ideal candidate will have strong web development skills to support and enhance our SaaS solution being utilized by clients in 20 countries through our globally hosted data centers.

EXPECTATIONS & TASKS
- Work with team members to refine requirements
- Write queries when building entities, service layer code to obstruct view models, controller code to feed views, and HTML/JavaScript/CSS for presentation
- Test and troubleshoot features and enhancements
- Monitor and fine-tune/refactor existing code for optimal performance

QUALIFICATIONS & EXPERIENCE
- A passion for new technologies and designing state of the art software solutions for our customers
- At least 5 years of development experience with the following technologies: ASP.NET MVC, C#, EF, linq, JavaScript
- Sound understanding of HTML / CSS
- Knowledge of SQL Server and stored procedures
- Strong organizational skills, rigor, and attention to detail. Communication and documentation skills.
- Ability to manage a workload based on shifting priorities

JOB PERSPECTIVES
- Grow with the company within the Technology department
- Become a local technical lead, expand and manage a team of developers
- Manage technical infrastructure and relationship with technology partners

If you wish to apply, please send a CV to recruitment@upclear.com, with "p201509SSE" in the subject.
Cover letter recommended but not required.
